

# Region 1 New England PEHSU EJCC Scholars Elective

## Supplemental Questionnaire

Applicant Name: \_\_\_\_\_ Date: \_\_\_\_\_

**Please feel free to answer these questions in a separate word document.**

1. How did you hear about this program?
2. What is the preferred date range of your proposed internship?
3. What interests you about the EJCC Scholar Elective?
4. What classes or other experiences do have you in Environmental Health, Environmental Justice and/or Climate Change?
5. What is one thing you would like to learn or get out of this program?
6. How do you plan to use this experience in your personal and/or professional life?
7. Is there a specific topic or type of work you are most interested in?
8. What are your hobbies and passions outside of academic pursuits?
9. What is your greatest skill or personal strength?
10. In what other areas of medicine would you be interested in shadowing/observing.
11. We are interested in recruiting diverse members for these positions, across both personal and workplace characteristics. Please reflect and share about your own experiences and how it relates to diversity, equity, and inclusion.
12. In past programs, students have created community facing factsheets on PFAS, Nutrition and Lead Exposure, and Mold. Other students have compiled information to support the creation of provider and community resources on lead, healthy homes initiatives, and climate change resources. Based on these examples and your personal experiences,

briefly describe, or propose, a project that you would like to work on that might contribute to the pediatric environmental health field?
