

# Images of America: Children's Hospital Boston Order Form

**Book Description:**

Children's Hospital Boston is one of the oldest, most distinguished pediatric medical centers in the world. It grew from a modest beginning in 1869, to become a major pediatric affiliate of Harvard Medical School. For well over a century, this hospital has been a pioneer in children's healthcare, performing research in childhood and adult diseases, and training future leaders in medicine and surgery. This book presents a visual tour of the history and development of this institution.

**Employee Discount:**

CHB Employees may purchase 10 copies or more of the paperback Children's Hospital Boston *Images of America* book at the reduced price of \$10 per book (half the cover price). This discount only applies to bulk orders of 10 or more copies. A limited number of hardcover copies are available individually for \$25. All proceeds benefit the CHB Archives Program. To place an order, complete this form and return it to the library, in Fegan Plaza. *Please note: individual paperback books are sold in both hospital lobby stores for \$19.99.* Questions? Contact the Hospital Archivist at extension 5-5286.
