

Coordination with Other Governmental Agencies

## **4.0 COORDINATION WITH OTHER GOVERNMENTAL AGENCIES**

---

### **4.1 Architectural Access Board Requirements**

The proposed Project will comply with the requirements of the Massachusetts Architectural Access Board and will be designated to comply with the standards of the Americans with Disabilities Act.

### **4.2 Massachusetts Environmental Policy Act (MEPA)**

Although the construction of the Main Building Expansion may involve HEFA funding, the Project does not exceed MEPA thresholds. However, if it is determined that MEPA review is required, an Environmental Notification Form (ENF) will be filed.

### **4.3 Massachusetts Historical Commission**

Since the Main Building Expansion may involve HEFA funding, it will be reviewed by the Massachusetts Historical Commission (MHC) to demonstrate compliance with M.G.L., Chapter 9, Sec. 26-27c, as amended by Chapter 254 of the Acts of 1988 (950 CMR 71.00).

### **4.4 Boston Civic Design Commission**

The proposed Project will comply with the provisions of Article 28 of the Boston Zoning Code. This PNF will be submitted to the Boston Civic Design Commission by the BRA as part of the Article 80 process.

### **4.5 Other Permits and Approvals**

Table 2-2 in Chapter 2.0, Project Description, contains a list of agencies from which permits and approvals for the proposed Projects will be sought.
