

## PUBLIC NOTICE

The Boston Redevelopment Authority ("BRA"), pursuant to Article 80, Section 80A-2 of the Boston Zoning Code ("Code"), hereby gives notice that an Institutional Master Plan Notification Form/Notice of Project Change ("IMP/NPC") was filed with the BRA on April 29, 2009 by Children's Hospital ("Children's") for an amendment of the Children's Institutional Master Plan and for the Main Building Expansion (the "Proposed Project") to be located on the Children's campus in Boston.

This Proposed Project is a 14-story lateral expansion to Children's Main Building on the site of the existing 57 Binney Street building, including 30 "net new" beds.

Approvals are requested of the BRA pursuant to Article 80 for the issuance of: (i) a determination under Section 80A-6 regarding what additional review, if any, is required for the Notice of Project Change; (ii) a scoping determination under Section 80D-5.3 of the Code; (iii) an adequacy determination under Section 80D-4(c) of the Code; (iv) a Certification of Compliance under Section 80B-6 of the Code; and (v) a Certification of Consistency under Section 80D-10 of the Code. Notice is also given that the BRA may issue a Determination waiving the requirement of further review pursuant to Section 80A-6 of the Code, if, after reviewing public comments, the BRA finds that such IMP/NPC adequately describes the Proposed Project's impacts. The IMP/NPC may be reviewed in the office of the Secretary of the BRA, Room 910, Boston City Hall, 9<sup>th</sup> Floor, Boston MA between 9:00 AM and 5:00 PM, Monday through Friday, except legal holidays. Public comments on the IMP/NPC, including the comments of public agencies, should be submitted in writing to Ms. Sonal Gandhi, Senior Project Manager, BRA, 9<sup>th</sup> Floor, City Hall Square, Boston MA 02201 or by email at [Sonal.Gandhi.BRA@cityofboston.gov](mailto:Sonal.Gandhi.BRA@cityofboston.gov) by June 1, 2009.
