An extraordinary play place

Welcome to the new BJ's Playground, where Children's patients can get outside and get active. Take a closer look. Can you find anything out of the ordinary?

Managed by the Center for Families, the BJ's playground can only be used by patients who are accompanied by a staff member. For more information, call the center at ext. 5-6279. The playground was made possible by a generous donation from BJ's Charitable Foundation. A grand opening ceremony will take place on Wednesday, May 3, 2006.
