

You are invited to the

Autism Consortium 2009 Symposium

Wednesday, October 28, 2009

Joseph B. Martin Conference Center • Harvard Medical School

77 Avenue Louis Pasteur • Boston, MA 02115

To register please visit:

www.autismconsortium.org/news/autism-consortium-2009-symposium.html

Registration begins at 8:30 AM. The *morning session* will feature advances in clinical care and expanded family resources. The *afternoon session* will focus on the exciting scientific research underway on Chromosome 16p11.2. The Symposium will conclude with a poster session and reception from 4:00-5:30 PM.
