

The Department of Surgery

The Department of Surgery at Children's Hospital Boston provides general and specialized surgical services to infants, children and adolescents living with a wide range of congenital and acquired conditions. For urgent matters or to schedule an appointment, call our main number at 617-355-7800, or one of the direct numbers on this card. We are committed to seeing patients for urgent care matters on the same day in our offices during regular business hours (Monday through Friday, 8:30 a.m. to 5 p.m.) or in the emergency room.

If you are unable to access the information you are looking for or have additional questions, please contact our management team:
