Dear Friend,

You are cordially invited to participate in the *Martha Eliot Community Health Fair*, which will be held on **Saturday September 13, from 11:00am to 2:00pm** in the parking lot of the Martha Eliot Health Center at 75 Bickford Street in Jamaica Plain. This year's theme is "*Healthy Families. Healthy Communities,*" and will reflect the multiethnic flavor of our local community. Our rain date is scheduled for September 20, 2008 and your participation is **free**.

The Martha Eliot Community Health Fair's mission is to educate families on healthy living and provide comprehensive and personalized medical care in a welcoming atmosphere close to their homes. Visitors will receive free health education and screenings. In addition to the health component of the fair, there will be entertainment and activities for the entire family. Free on-site parking is available in the *Stop & Shop* parking lot next to the health center. This is an excellent opportunity to share those messages and create awareness about health issues that affect our families and friends everyday.

The health fair is one of the most widely-attended events in the area, attracting more than 2,000 visitors annually. We would like to invite you to **sponsor a table** or **provide health screenings** and/or **information** about your organization.

Opportunities for your support include:

- Health information and services
- Social and mental health services
- Violence prevention services
- Educational resources
- Employment opportunities
- Information for new immigrants

If you are interested in taking part in the health fair or would like to learn more, **please fill out the attached form** and contact Kelsey O'Toole at (617) 971-2311 or [Kelsey.OToole@ childrens.harvard.edu](mailto:Kelsey.OToole@childrens.harvard.edu) or Tevonne Ellis at (617) 919-3427 or [Tevonne.Ellis@childrens.harvard.edu](mailto:Tevonne.Ellis@childrens.harvard.edu). Sincerely,
