**Blood Donor  
Center**

**Give pints for half-pints**

## TOP 10 Reasons to Donate at Boston Children's Hospital:

1. ONE pint helps FOUR children.
2. Less than 5% of the population donates.
3. It takes 30 minutes to donate, platelets take a little longer.
4. Our patients need your help.
5. We are nearby (in your neighborhood).
6. There is no substitute for human blood and platelets.
7. Platelets from A positive donors are acceptable for 100% of the population.
8. There are always shortages of blood and platelets, especially during the summer and winter holidays.
9. More than 24,000 patients need blood transfusions at Boston Children's Hospital each year.
10. It's a great way to give back!
