What is a Professional Day?

Many school systems have days during the school year for professional education for nurses & other school staff. The Community Education Initiative at Boston Children's Hospital offers a program of lectures that include the most current issues related to school health. For programs held at BCH, observational clinical experiences are offered in the ambulatory clinics as well as in-patient

Where is a professional day?

We offer a few options:

- 1) At Boston Children's Hospital
- 2) At your school or community location
- 3) Evening programs available

How can I arrange a professional day for my school?

- ⇒ Review the fee schedule
- ⇒ Complete professional day request form
- ⇒ Discuss program details with
Stephanie Porter, MSN, RN @
857-218-4333 or
stephanie.porter@childrens.harvard.edu

What is included in the fee?

FOR A PROGRAM AT CHILDREN'S

- ◆ Lectures by BCH Professional
- ◆ Clinical experience option
- ◆ Program coordinator on site
- ◆ Handouts

FOR A PROGRAM AT YOUR LOCATION

- ◆ Lectures by BCH Professional
- ◆ Program coordinator on site
- ◆ Handouts
- ◆ Contact hours

Fee Schedule

2 hour program:	\$500.00
3 hour program:	\$750.00
4 hour program	\$1000.00
5 hour program:	\$1250.00

Once your days agenda has been confirmed you will receive a letter of agreement and an invoice based on that agenda. You will then need to generate a purchase order for the day which needs to be on file before the date of your professional day. Once the professional day has taken place you will receive the final invoice.

Collaborate with other school systems if you have the same date for your professional day.

Reduce Your Costs!

For professional development days held at Boston Children's Hospital food and beverage is optional for an additional fee. Also reduced rate parking vouchers for an area garage can be purchased.
