

Thank you for your participation!

We have arranged to meet at _____ on _____ for the _____ Study.

**If you have any questions, or if you need to reschedule for any reason, please feel free to call _____ at 617-355-0400. **

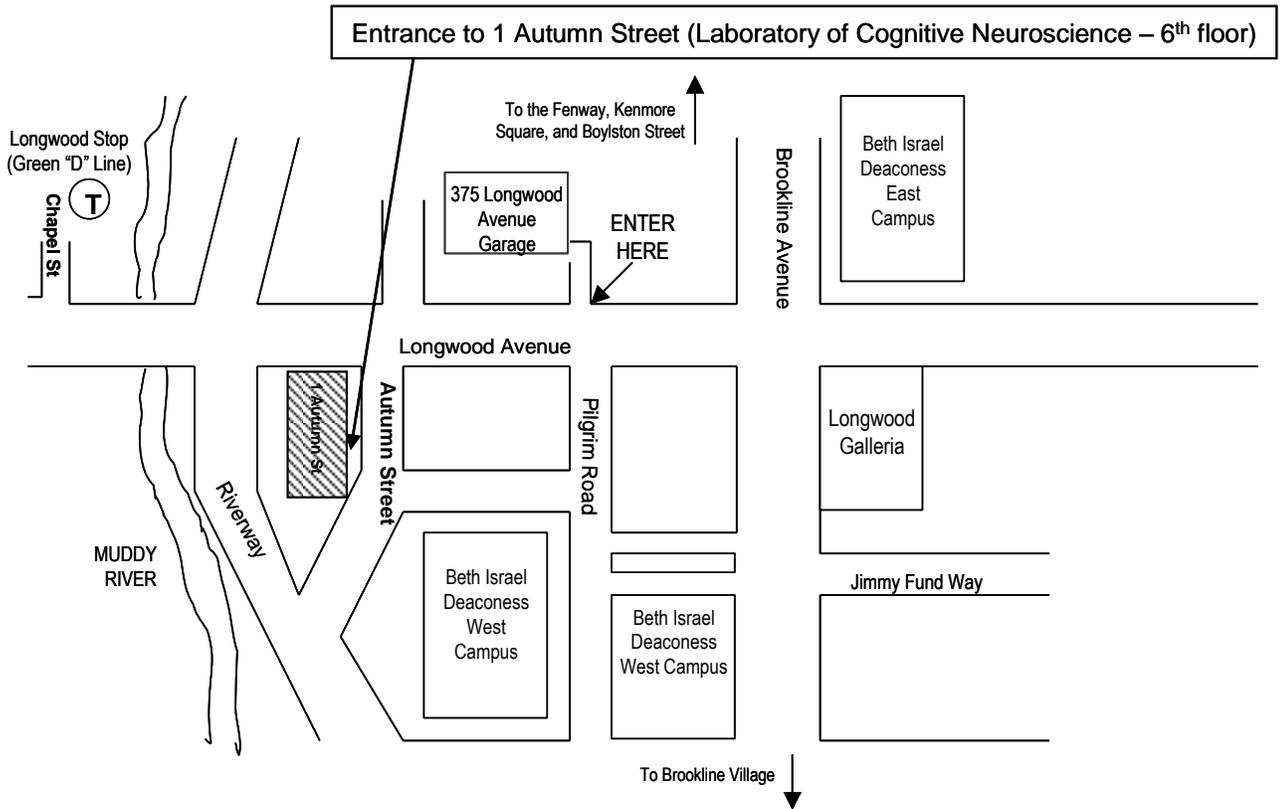

Please find below a map of Children's Hospital, Boston Longwood Campus, directions to the Laboratory of Cognitive Neuroscience from the T as well as directions to the parking garage.

If you are **driving we meet you outside** of the 375 Longwood Avenue Garage to give you a parking pass and we will accompany you to the laboratory.

Please DO NOT ENTER the parking garage without taking the parking pass from the researcher first!

If you are early for your appointment, please call 617-355-0400 to let the researcher know that you are waiting for the parking pass.

If you are **walking or taking the T** please just follow the directions directly up to the 6th floor of the 1 Autumn Street building.

Directions when taking the T

The Laboratory of Cognitive Neuroscience is located 2 blocks from the Longwood T stop on the Green D-Line.

From the T-stop take a left up Chapel Street, walk until you reach Longwood Ave.

Take a left and walk over the bridge that goes over the T tracks.

At the stop light, continue on Longwood Avenue, crossing the Riverway, when you get to the other the other side of the Riverway, take a right to cross over Longwood Ave.

Walk up Longwood Avenue about 100 yards and Autumn Street is the first street to your right.

The 1 Autumn Street building is located on the corner of Longwood Avenue and Autumn Street.

Go in the front entrance, located on Autumn Street and take the elevator to the 6th floor.

Right off of the elevator you enter Scheppens Retina Associates, please take a left and there is a door to the Laboratory of Cognitive Neuroscience, please ring the bell for entrance.

Directions to 375 Longwood Avenue Garage

From Route 93 and other points North - Take Route 93 South towards Boston. Take Exit 26A, and follow signs for Storrow Drive West. After the Copley Square exit, get into the left lane. Take Kenmore Square, Fenway exit (on left). At fork in exit (just as you come off Storrow Drive), bear left and follow Fenway. Stay in right lane on exit ramp; bear right towards Boylston Street, Outbound. Follow Boylston Street- Outbound straight through several sets of lights. At the intersection of Boylston Street, The Fenway, Park Drive, and Brookline Avenue (at this intersection, there will be an *Exxon* to your left, and a *D'Angelo's* sandwich shop to your right), you will bear a soft left onto Brookline Avenue. Follow Brookline Avenue for ¼ mile, and take a right onto Longwood Avenue. The garage entrance is your first right.

Please DO NOT ENTER the parking garage without taking the parking pass from the researcher first!

If you are early for your appointment, please call 617-355-0400 to let the researcher know that you are waiting for the parking pass.

From Massachusetts Turnpike- Take Exit 18, Brighton/Cambridge. Stay in right lane after toll. Bear right towards Guest Quarters Suite Hotel, getting in far right lane. At traffic light, take right toward Downtown Boston, Storrow Drive. Follow Storrow Drive to Fenway exit. Stay in right lane on exit ramp; bear right towards Boylston Street, Outbound. Follow Boylston Street- Outbound straight through several sets of lights. At the intersection of Boylston Street, The Fenway, Park Drive, and Brookline Avenue (at this intersection, there will be an *Exxon* to your left, and a *D'Angelo's* sandwich shop to your right), you will bear a soft left onto Brookline Avenue. Follow Brookline Avenue for ¼ mile, and take a right onto Longwood Avenue. The garage entrance is your first right.

Please DO NOT ENTER the parking garage without taking the parking pass from the researcher first!

If you are early for your appointment, please call 617-355-0400 to let the researcher know that you are waiting for the parking pass.

From Harvard Square, Cambridge, Route 2, Memorial Drive - Follow Route 2 East/Memorial Drive until you pass the Polaroid Corporation. Immediately afterwards, take 2 East, Brookline/Kenmore Square exit. Off the exit, bear right at the traffic light, and go over the Boston University Bridge. At traffic lights, cross trolley tracks and bear left onto 2-20 East, Kenmore Square. Follow the sign for 2 East and go through two sets of lights. Bear right onto Mountfort Street, which becomes Park Drive. Follow Park Drive as it becomes Fenway. Take a right onto Brookline Avenue. Follow Brookline for approximately ¼ mile. Take a right onto Longwood Avenue. The garage entrance is your first right.

Please DO NOT ENTER the parking garage without taking the parking pass from the researcher first!

If you are early for your appointment, please call 617-355-0400 to let the researcher know that you are waiting for the parking pass.

From points South - Take 24 North, Route 3 North, or 95 North to the Southeast (Fitzgerald) Expressway/Route 93. Take exit 18 Mass. Ave/Roxbury. Follow signs for Melnea Cass Blvd. Continue on Melnea Cass Blvd for approx. 1 mile, take a left at the light onto Tremont Street. Take a right at the second light onto Ruggles Street. Follow Ruggles Street for approx. ¾ mile, and take a left onto Huntington Avenue (trolley tracks run down the middle of Huntington). At second light, take a right onto Longwood Avenue. Pass through three sets of lights (includes crossing Brookline Avenue) and garage entrance will be on your right.

Please DO NOT ENTER the parking garage without taking the parking pass from the researcher first!

If you are early for your appointment, please call 617-355-0400 to let the researcher know that you are waiting for the parking pass.
