Boston Children's Hospital
Until every child is well™

Boston Children's at Peabody

is a state-of-the-art outpatient facility providing the same high-quality pediatric and adolescent specialty care you'll find at all our locations. Since 1995, Boston Children's at Peabody has been treating everything from broken bones to more complex conditions—making it a cornerstone of our Community of Care. When visiting Boston Children's at Peabody your family will:

enjoy free parking

receive care in a family-focused, relaxed environment

have access to over 70 pediatric specialists

see the same specialists who practice at our Boston location

avoid Boston traffic

Boston Children's Hospital

has been advancing medicine and improving child health for over 140 years. Today, Boston Children's has multiple locations, called our Community of Care, bringing our world-class care to more children and adolescents than ever before. These locations allow Boston Children's physicians and support staff to work throughout Massachusetts, providing high-quality, community-based pediatric care closer to home.
