bostonchildrens.org/waltham
Boston Children’s at Waltham is a state-of-the-art outpatient facility providing the same high-quality pediatric and adolescent specialty care you’ll find at all our locations. Since 2005, Boston Children’s at Waltham has been treating everything from broken bones to more complex conditions—making it a cornerstone of our Community of Care. When visiting Boston Children’s at Waltham your family will:

- have access to more than 170 specialists
- see the same specialists who practice at our Boston location
- enjoy free parking
- receive care in a family-focused, relaxed environment
- avoid Boston traffic

Boston Children’s Hospital has been advancing medicine and improving child health for over 140 years. Today, Boston Children’s has multiple locations, called our Community of Care, bringing our world-class care to more children and adolescents than ever before. These locations allow Boston Children’s physicians and support staff to work throughout Massachusetts, providing high-quality, community-based pediatric care closer to home.
