Why choose Boston Children’s Hospital?

Partner with the #1 in pediatrics. Together we will deliver outstanding service and world-class care.

Referring Patients to Boston Children’s Hospital
Boston Children’s Hospital is dedicated to partnering with you on your patient’s journey. Working with the #1-ranked pediatric hospital means your patients receive the best possible care. Our support team guides you and your patients through every step of the referral process, from the first phone call to discharge planning. We’ll keep you informed along the way, and we’ll return your patients to you with all the information you need to ensure continuity of care and the best possible outcomes.

**ACCESS + SERVICE**

**1-844-BCH-PEDS** One number for everything you need.

Call: 844-224-7337. Our Practice Liaisons are available six days a week (Mon.–Fri. 7 a.m to 8 p.m EST, Sat. 9:30 a.m.–6 p.m.) to help with:

- Referrals
- Insurance preapprovals
- Appointment scheduling
- Image and medical records transfers
- Coordinating second opinions

**MyPatients Provider Portal**

Easy-to-use, web-based portal.

MyPatients is a convenient, secure and easy-to-use, web-based tool that allows referring providers and practice staff to access important information about a patient’s care at Boston Children’s, including:

- Inpatient admissions
- Medications
- Specialty visits
- Labs
- Scheduled appointments
- Radiology and other test results

**Insurance preapproval**

Answers to financial questions.

The experts in our Patient Financial Services group help you and your patients navigate the insurance approval process. We offer comprehensive guidance on financial matters including out-of-network coverage, out-of-pocket costs, deductibles and more.

View a list of accepted insurances.

**Teamwork**

Communication and collaboration.

Our clinical team will keep you up to date on your patient’s progress. We provide clinical notes after every referral and will work with you to coordinate seamless follow-up care at your practice.

U.S. News & World Report has consistently named Boston Children’s Hospital one of the top pediatric hospitals in the United States. In the 2016-17 survey, we were ranked #1 for the third consecutive year, and eight of our clinical specialties were deemed to be the best of their kind in the nation:

› #1 in Cancer
› #1 in Cardiology & Heart Surgery
› #1 in Gastroenterology & GI Surgery
› #1 in Neonatology
› #1 in Nephrology
› #1 in Neurology & Neurosurgery
› #1 in Orthopedics
› #1 in Urology
› #2 in Pulmonology
› #2 in Endocrinology

The U.S. News rankings are based on a wide range of factors, including reputation among pediatric specialists, medical outcomes (such as cancer survival rates) and care-related indicators of quality (such as nurse staffing and the availability of specialized services).
