For each “yes” response: *“Can you tell me more about that?”*

2. **RECOMMEND** not to use

3. **RIDING/DRIVING** risk counseling
“Motor vehicle crashes are the leading cause of death for young people. I give all my patients the Contract for Life. Please take it home and discuss it with your parents/guardians to create a plan for safe rides home.”

4. **RESPONSE** elicit self-motivational statements
Non-users: *“If someone asked you why you don’t drink or use drugs, what would you say?”* Users: *“What would be some of the benefits of not using?”*

5. **REINFORCE** self-efficacy
“I believe you have what it takes to keep alcohol and drugs from getting in the way of achieving your goals.”

3. Give patient **Contract for Life**. Available at www.crafft.org/contract
