SIMDiscovery

A simulated healthcare experience for your stuffed animal!

Bring your child to explore medical experiences at Boston Children’s Hospital Simulation Center.

Children and families will have the opportunity to increase comfort and familiarity with health care experiences by performing medical procedures on their stuffed animals in a fun, safe, and realistic medical environment.

Saturday, September 16
Time: 10:00AM - 2:00PM
Center for Life Science Boston
3 Blackfan Circle Boston, MA

For more information and to RSVP, contact:
Brianna O’Connell, Child Life Specialist, at:
brianna.oconnell@childrens.harvard.edu 617-919-1710

*Adult supervision is required for all participants.
**Personal stuffed animals encouraged
