My Dear Patients:

It is with mixed emotions and after much soul searching that I share the news that as of May 31st I will be retiring. I have been honored and privileged to have played a role in promoting your children's health and hope we can remain connected and in touch. For more than 20 years, I have enjoyed watching your children grow up and flourish. As much as you might miss me, I will miss you more - I hope you all will stay in touch and continue to share the happy occasions in your families' lives. Partners in Pediatrics has a wonderful and caring group of practitioners who are there to take care of your families' health needs. Thank you for trusting me with your precious children-it is one of the proudest achievements of my life.

All the best,

Eileen
