

Pediatric Global Health Services Fellowship Application

Application Deadline

September 24, 2021

All fellowship candidates must be American Board of Pediatrics board certified or board eligible before the July 1, 2022 fellowship start date. This generally means that fellows will have completed a residency in Pediatrics in the US or Canada. We regret that we cannot accept applications from candidates who do not meet this criterion.

All application materials below must be received in full before the application deadline of **Friday, September 24th 2021 at 12:00pm ET.**

Please submit the following items by email to the Boston Children's Global Health Program Manager (ATTN: Carolyn Baer) at globalhealth@childrens.harvard.edu

1. This application form
2. CV (see last page)
3. Personal statement specific to a career in Pediatric global health (see last page)
4. Two recommendation letters specifically related to your previous global health work sent directly from the recommender by email to: globalhealth@childrens.harvard.edu

Please feel free to contact us at (617) 919-6438 or shela.sridhar@childrens.harvard.edu or globalhealth@childrens.harvard.edu with any questions about the fellowship or your application.

Are you certified by the ECFMG?	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>	Not Applicable
If yes, provide your ECFMG Number:						

Active Medical Licenses

Type	Certificate Number	Valid dates	Issuing Agency

Pediatric Board Eligibility/Certification

Will you be American Board of Pediatric (ABP) board eligible/board certified in pediatrics by the July 1 fellowship start date?

Yes

No

If no, please explain:

CURRICULUM VITAE

Send your CV as a separate file attached with your submission. Be sure to include awards, honors, and publications in your CV. List research, work, volunteer, leadership roles and significant international / global health travel experiences with dates (month and year) and nature of your involvement.

PERSONAL STATEMENT

Include with your submission a file with your personal statement specific to a fellowship in pediatric global health. Include your name at the top of the page. Please limit your personal statement to **one single-spaced page**. In drafting your personal statement, consider the following:

1. What parts of pediatric international/global health interest you and why?
2. Describe any research projects you would like to complete during your residency/fellowship or existing partnerships you'd like to work with.
3. In what type of setting do you see yourself working after your fellowship?
4. How do you plan to integrate global health into your career?
