

CHEF'S PLAYGROUND
Wellness | Innovation | Nutrition

Greetings and welcome to the Chefs Playground

Thank you for your interest in becoming a Guest Chef at Boston Children's Hospital Chef's Playground!
We are excited and look forward to your visit.

Guest Chef Series

During peak lunch at Chef's Playground, you can find Boston Children's own talented chefs along with local, national in international Chef Stars creating new and innovative foods for our patients, parents and caregivers. Our Guest Chefs, from restaurants all over, will prepare something they have never made before using local and seasonal ingredients while providing education from where and how their Innovation was created.

Live cameras will be filming as chefs interact with customers and share their recipes. Customers will have an opportunity to try these new items for the first time and vote on their favorites.

Please fill out the application below answering all the questions. Once we review your application a Boston Children's Hospital Manager will contact you and assign you a date to present
