Re: Waltham Clinical Research Transportation Program

Dear Research Community,

As a result of the recently approved Research Strategic Plan, we would like to announce that ICCTR is piloting a subsidized Clinical Research Transportation Program for investigators and study staff who need to travel to and from Waltham to conduct clinical research – Uber and BCH Shuttle options will be offered.

To learn more about this transportation program and/or participate, please visit <http://sgiz.mobi/s3/cd372692f4b2>

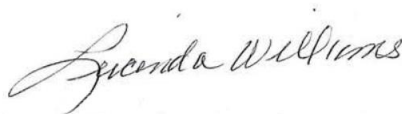

In addition, we would like to remind you that all previous announcements can be found on our new [ICCTR website](#).

If you have any questions, please contact ICCTR@childrens.harvard.edu.

Thank you,
