My protocol is approved for **Reliance on Another IRB**.

Q. Do I need to inform the BCH IRB of amendments approved by the sIRB?

A. **YES.** You need to inform the BCH IRB if the amendment involves any of the following changes:

- Conflicts of interest of the PI and/or BCH staff working on the protocol.
- Funding (e.g., planned federal funding source, industry-sponsorship)
- sIRB (i.e. the Reviewing IRB)
- Investigator Drug Brochure [IB], drug dispensation, dosing or the targeted population.
- Plans for research radiation exposure, including a change to the number of subjects exposed or the inclusion of a new population (e.g. minors)
- Changes for which there is a specific institutional policy/state law requirement, such as:
  - Changes in recruitment of research subjects which are not consistent with BCH policy
  - Changes in the informed consent process which are not consistent with BCH policy
