

Welcome to Village Pediatrics

www.villagepediatrics.net

About Us

At Village Pediatrics, we specialize in medical care for kids, and we would love to get to know you and your family better. We have been serving the Brockton community for over two decades. Our commitment is to help children reach their highest potential by working with parents to promote and maintain their child's physical and emotional well-being from birth up to college years.

Hours of Operation

Sunday: CLOSED
Monday: 8:30am—5:00 pm
Tuesday: 8:30am—5:00 pm
Wednesday: 8:30am—5:00 pm
Thursday: 8:30am—5:00 pm
Friday: 8:30am—5:00 pm
Saturday: 8:30 am—12:30 pm

After Hours Care

One of our providers is always on-call and can be reached for emergencies after hours. You can reach the on-call provider by calling our main number (508) 894-8577. Your call will be answered by our nurse triage service who will assist you and contact the provider on-call if needed.

New Patients

We welcome new patients at our practice! To join our practice please call our main number (508) 894-8577 to set up a new patient appointment. Before your first appointment with us, please have any past medical records sent to our office 156 North Pearl St Brockton, MA 02301 or faxed to (508) 894-8578. New patients will not be seen until any past records have been received.

Evidenced Based Care

Our practice follows the guidelines and recommendations provided by the American Academy of Pediatrics (AAP).

Our Services

Our practice, as your medical home, is a central resource for all of your child's care needs. You are welcome and invited to participate in all aspects of your child's care.

Coordinating Care Outside the Practice

Before scheduling an appointment with a specialist, please call our office.

Our providers can provide many advanced primary care services in the office, such as suturing lacerations, splinting orthopedic injuries, prescribing acne treatments, and more. Your child's provider will work with you to determine if a visit to a specialist is needed.

If your child does receive care at an outside facility, such as a specialist office or emergency room, please ask the outside facility to send the records to our office after your visit so we can be sure we have all the information needed to best serve your child.
