Your Stay at Boston Children’s

Medical Rounds
Rounds are when doctors and other team members visit each patient to talk about how they are doing. They usually talk with the patient and/or caregiver about the plan of care. Most rounds happen in the morning yet there is no set schedule. Patients, parents, guardians and caregivers bring valuable knowledge to care conversations. We encourage you to join rounds conversations to share information and ask questions.

Helpful Information for Your Stay

During a stay at Boston Children’s Hospital, there are many people and services available to encourage, support, and guide you. Here are some tips for patients, parents, guardians and caregivers.

ID Badges
Parents/guardians/caregivers can get an ID badge at the Main Lobby information desk when a patient is admitted. Please wear the badge where it’s visible when you leave your patient’s room. You’ll need your badge to get into your patient’s unit and to use the elevators.

Paper badges expire, so please renew the badge each day or trade it for a photo ID badge at the Badge Office (next to the Information Desk).

Parking and Transportation
The Patient Family Garage is at 2 Blackfan Street, directly across the street from the hospital’s main entrance. Valet parking is also available 24 hours a day at the main entrance.

- Validate your parking ticket at the Information Desk in the main lobby to get a reduced daily parking or valet rate.
- Vehicles with handicap placards are waived the additional charge for valet, but normal garage rates still apply. If you leave and reenter the garage before midnight, you can use your original paid parking receipt as a voucher for free same day parking. Show your receipt to the parking cashier.
- Visitors staying at least 1 week can enroll in the Family Extended Stay Parking program.
- Visit the cashier in the Patient Family Garage with your parent/guardian/caregiver ID badge.
- You may be eligible for financial help with parking, based on your income. Ask about this in the Hale Family Center for Families.
